Re: Board Docket No. 2016-477

Dear Ms. Lanclos,

The Louisiana Board of Ethics received your request for an advisory opinion regarding whether the post employment restrictions found in the Code of Governmental Ethics would prohibit you, a former Engineering intern with the Louisiana Department of Health and Hospitals, Office of Public Health, Engineering Intern, from seeking employment with a private firm to create engineering plans that would be submitted to DHH Engineering services for review, additionally can you be employed with the firm if you do not work on projects that involve DHH.

I order to accurately answer the question the Board requires the following information:

- 1) Your dates of employment with DHH-OPH.
- 2) Did you serve as an agency head/supervisor for DHH-OPH.
- 3) The name of the Engineering Firm you are seeking employment with.
- 4) Would the plans you would create for DHH review be on new projects.
- 5) Would you be participating in any project you participated in during your public service with DHH-OPH

I apologize for any delay this may cause in rendering the advisory opinion you requested, however, you did not include any contact information for yourself except your street address. Therefore, to speed up the process, when you receive this letter you can e-mail me the additional information at suzanne.mooney@la.gov.

If you have any questions, please contact me at (225) 219-5600 or (800) 842-6630.

Sincerely,

LOUISIANA BOARD OF ETHICS

Suzanne Quinlan Mooney
